## Recyclable and Compostable

Lawn & Leaf - Stock Print ID 21809

## Small Efforts Can Make A Big Difference

With small efforts by everyone to protect our environment, we can make sure our resources last for generations. One small and sustainable step is to use Duro's Lawn and Leaf bags. Lawn and Leaf bags will break down naturally when used with self-composting yard waste such as grass, shrubbery trimmings and leaves. Use an environmentally preferred product and take a step towards sustainability and protecting our planet.
