

Energizer Industrial Lithium AA Batteries, Double A Energizer Industrial Lithium Batteries, 24 Pack

ENR LN91.01 INDUSTRIAL LITH AA DISP PK

Power your industrial and professional devices with Energizer Industrial AA Lithium Batteries. Construction site, facility maintenance, medical center, business office, classroom: Wherever you work, the longest-lasting professional AA batteries keep your electronics up for the job. In normal use, they're 100% leak proof to protect your work site devices, and they operate in temperatures ranging from -40°F to 140°F. And with a 20-year shelf life, you won't have device downtime. All of that lithium performance comes in a heavy duty AA battery that weighs 33% less than an alkaline AA. So, when work depends on automatic paper towel dispensers, hard hat lights, pulse oximeters, and more, you can rely on the power and protection of Energizer Industrial AA Lithium Batteries.

Features & Benefits

- 24-pack of Energizer Industrial AA Lithium Batteries contains six 4-packs sized for easy distribution or use in vending machines
- Keep critical devices going at the work site with the longest-lasting professional AA batteries, plus they are 33% lighter than alkaline AA batteries
- Get exceptional performance even in extreme temperatures (-40°F to 140°F) and the reassurance that these lithium batteries are 100% leak proof in normal use
- Stay focused on the job with AA batteries that hold power for up to 20 years in storage
- Keep work devices and workdays running smoothly with reliable, long-lasting power for precision electronics at construction sites and commercial spaces
