Notes & Details

Seat your guests in comfort and style with this Lancaster Table & Seating Boomerang Series clear coat finish bar stool with cherry wood seat and back. This bar stool's wooden Boomerang back and seat combines with its modern steel frame to instill a unique look in any location. Plus, since this bar stool's back is contoured for a customer's back, it will provide comfort while maintaining a distinct appearance.

This bar stool's sturdy steel frame provides unmatched durability in your commercial dining room. It can hold up to 330 lb. of weight thanks to the steel frame and supports under the seat. Additionally, the clear coat finish on this bar stool ensures longevity through everyday wear and tear, resisting stains, scratches, and smudges. It also features a Boomerang back that's contoured to provide extra support to your customers' upper backs. The cherry wood seat and back are easy to clean and maintain, and they offer style and convenience in any establishment!

The bar stool's built-in footrest gives customers a place to rest their legs. Each leg comes with an integrated glide to protect your floors from scuffing. To save you time and hassle, this bar stool ships fully assembled with the seat attached. Its reliable and contemporary design ensures you'll be using this bar height chair in your pub or restaurant for years to come.
