MEGA TREASURE

Claw Machine: 22" Width

Presenting the Mega Treasure Crane - standing at a compact 60-inches tall and only 22-inches wide, this machine fits perfectly into any space while creating a splash of fun and color.

This machine offers interactive gameplay, with the option to guarantee a win every time or to challenge the player's skills. With the Nayax Touch credit card reader, it can seamlessly adapt to cashless transactions. It's an ideal choice for family-friendly environments like restaurants, movie theaters, or your home game room, creating a vibrant and joyful atmosphere.
