MICROFIBER GLASS WASHER, 10"

The Rubbermaid Commercial Products® 10-Inch Microfiber Glass Washer is designed for effortless, streak-free cleaning on windows, glass, and other smooth surfaces. Its quick-connect versatility allows seamless compatibility with all HYGEN™ Quick-Connect handles, making it a must-have for system-wide cleaning efficiency. The high-absorbency microfiber sleeve absorbs more than 6x its weight—for fewer trips to your bucket and more time spent cleaning. An integrated edge scrubber easily removes stubborn dirt and grime, tackling tough messes without extra effort. Built to last, this washer stands up to 100 commercial laundering cycles, delivering long-term durability and reliable performance—wash after wash.
