## Modularack® Pro WALL MOUNT UNIT New

This fixture backs up to a wall or other vertical surface.

The WALL MOUNT UNIT gives you simple single depth bottle storage against a wall. There are three (3) different configuration sizes: 144, 168 and 192 bottles.

The only variance in these three sizes is the height. All other measurements are the same.

**NOTE: For any single depth unit more than 8 layers high wall mounting is recommended. (Each of these Wall Mount Units rise above 8 layers high.)** These standard hardware items can be obtained in any hardware store to mount units to the wall. Angled brackets such as these illustrated, with suitable screws, can be mounted to the rack itself. Units come with full instructions, but no wall mounting hardware is included.
