Barrel freezer, 6.6 + 6.6 gal capacity, double dispenser

Main Features

- Serves a variety of frozen smoothies, frozen cappuccinos or lattés, granitas, frozen fruit juices, frozen lemonades, Margaritas and other frozen cocktails.
- The storage hopper is refrigerated to keep the product cool during the night (especially important for dairy products) and to reduce the pull-down time.
- Big cylinder and high cooling capacity allow to dispense a large number of cups consequently.
- High productivity: serves up to 6,6 + 6,6 gallons in one hour.
- Energy efficiency and low consumption.
- Mix low indicator light enables users to refill product before it empties.
- Eye catching back-lit sign draws customers attention.
- Heavy duty components ensure machine longevity.
- Reliable consistency control dispenses perfect product under all operating conditions.
