Maxithins® Vended Maxi Pads w/ Wings, Ultra Thin, 200/cs

Maxithins® Vended Ultra Thin Maxi Pads w/ Wings are designed to provide reliable, discreet protection in high-traffic environments. Each pad features an ultra-thin, highly absorbent core that locks in fluid while maintaining a lightweight, comfortable feel. Integrated wings help keep the pad securely in place, offering enhanced side protection and reducing shifting during wear. The soft, breathable cover promotes dryness and comfort, making them suitable for all-day use. Packaged in a convenient #4 size box, these pads are compatible with most standard vending dispensers, ensuring easy distribution in commercial restrooms. With 200 pads per case, they are a trusted, efficient choice for schools, offices, and public facilities.
