Notes & Details

Prepare your bubble tea and other cold beverages, saving time and labor, with this Narvon bubble tea shaking machine. This machine eliminates the need for manual shaking so your staff can focus on other tasks. The machine offers two cup holders so you can shake two beverages at once, and it features an adjustable cup mount. Add this bubble tea shaking machine to your food establishment to speed up the shaking process for quicker service during busy hours.

This user-friendly machine boasts simple controls to make it easy for staff to operate, requiring minimal training. With its non-slip base, this unit will stay in place while in use. Plus, the LED panel makes the display easy to read. This shaking machine is multi-functional for a variety of tasks and has 5 reprogrammable buttons and 10 speed settings. It also features 75W of power. It requires a 110V electrical connection for operation.
