Utility/Bussing Cart

NS745

Designed for various tasks such as serving, bussing, and general utility, these carts are easily maneuvered with non-marking swivel casters. This three-shelf utility cart supports up to 350 pounds for storage and transportation and can easily hold a variety of kitchen items. Items are easily accessible with a clearance of 13 inches between shelves. On each shelf, three of the four sides have a 1" lip to keep objects from sliding off, and the remaining side is open for efficient loading and unloading.

- Constructed of Primary Grade Aluminum.
- Framework is constructed of 1" x 1" x .070" wall tubing.
- Shelves are constructed of .080" aluminum sheet.
- Equipped with four 5" stem type swivel casters.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
