

NVC-B12M

Smart 12MP PoE Bullet Camera with Powerful Spotlight

12MP

12MP UHD

Capture intricate details from facial features to license plates.

Color Night Vision

See through the night in full color with its spotlight on.

Smart Detection & Alerts

Get instant notifications once a person, vehicle or animal is detected.

Two-Way Audio

Speak directly to anyone who approaches your home.

Power over Ethernet

Get both power & data with a single network cable.

Remote Access

Access your live feed anytime anywhere via Reolink App/Client.

Weatherproof

Rated as IP66 to withstand the elements for year-round protection.

24/7 Recording

Work with Reolink NVRs to save days of your 24/7 footage.

Customized Motion Zone

Map out your detection to only get alerts about specific areas.

Next-Level Clarity in 12MP

Home security has entered the 12MP era. Get a clear and detailed view of your home, and see everything with incredible clarity.

Focus on True Threats

Differentiate people, vehicles, and animals from other objects and send alerts straight to your phone, so nothing important goes unnoticed.

Talk Like You're There

The built-in mic and speaker allow you to communicate clearly with arriving guests or deter intruders with a "Get Away" message.

See Through the Night in Colors

Fuzzy and pixelated night vision is now history. The powerful spotlight that keeps on all night makes the night as colorful as day.

PoE, Setup in Minutes

Transmit videos and be charged simultaneously via only one network cable. Setup is easier with no messy cables.

Gallery

One App/Client for All Control

Stay connected to your home or business anytime, anywhere.

Privacy in Your Hands

We made it a priority to ensure that your privacy is protected and your data is for your eyes only.
