

Double Glove Box Holder & Bag Dispenser

Improve business efficiency • Improve employee workplace safety • Improve patient care & management

Double Acrylic Glove Box Holder & Bag Dispenser #304015

Other combination glove/bag dispensers are either too big or too small. But this one is just right. Its perfect size means you don't have to restock it as often as a single glove dispenser. And it doesn't take up as much space as a triple glove dispenser. It tucks in just about anywhere. These units include a limited 1 year warranty.
