

LIL PREMIER

Our Lil Premier self-contained, portable, hot water, handwashing sink is lil itself, but certainly not lacking the big expectation of keeping everyone safe from germs and bacteria. Compact and easily movable, this out-of-the-box ready handwashing station makes point-of-contact handwashing as simple as 1, 2, 3.

Easily cleaned, one-piece, integrated ABS black single sink basin, countertop, and splashguard is equipped with a top-fill, liquid soap dispenser and ADA-compliant wrist action handles, so every set of little hands can send those germs right down the drain. The 5-gallon, quick-connect fresh water tank, stored inside the maple, locking cabinets, has just as much endurance as those tiny humans. Keep up with them and handwashing code compliance all at the same time.
