

## LIL SPLASHER

Our Lil Splasher self-contained, portable, hot water, handwashing sink is the perfectly petite, point-of-contact handwashing station that's out-of-the-box ready and goes wherever those little ones do. An easy-to-clean, one-piece, integrated ABS white single sink basin and countertop boast a built-in, top-fill soap dispenser, splashguard, and ADA-compliant wrist action handles.

Tougher than its child-friendly, lockable, blue cabinet doors and charming whale cartoon decal would have you believe, this helping hand lets you forget it's even there with each fresh water, quick-connect tank holding 5-gallons of hot water handwashings. Use naptime however you want because our time-saving, on-demand handwashing station won't be asking for much.

### CHSTB-ABW-AB1N
