

TITAN PRO 1 WHITE

Our Titan PRO 1 self-contained, portable, hot water, handwashing sink is the heavy-duty, rough and tumble point-of-contact handwashing companion that adapts to any indoor and outdoor environment. Out-of-the-box ready and NSF-certified, this model is engineered with convenience and user ease in mind with its sturdy side handle and non-intrusive, paper-towel holding forearm.

A one-piece, integrated ABS white countertop and single sink basin with top-fill soap dispenser is supported by easily cleaned, stainless steel and UV-resistant, HDPE white doors that store your quick-connect tanks and hot water system. 5-gallons of on-demand, economical, hot water handwashing keep public health and safety at the forefront of any public event, disaster relief, food service, construction site, and anything else you can throw its way.
