

PA-330-AM AIR MOVER

1/3 HP GFCI OUTLETS FOR DAISY CHAIN

Available Colors

PURAERO air movers offer quality, dependability, and affordability! The PA-330-AM's sealed motor boasts a powerful 1/3 HP and is housed inside the industry-standard rotomolded plastic housing. Durable, compact, and lightweight, the PA-330-AM will last longer than any air mover that utilizes injection molded plastic. The PA-330-AM is equipped with 15A UL rated GFCI power outlets, allowing Pro-Contractors to daisy chain their air movers to connect and operate multiple units at the same time, for faster and efficient drying. Don't settle for average, what you want is awesome!
