

Apex Series Commercial Popcorn Machine 32 oz, 48 oz, and 64oz

Dimensions (in.)

The Apex Popcorn Machine is designed for high-capacity performance and ease of use. The 32 oz model is capable of popping up to 640 oz per hour, and it just goes up from there with the 48 and 64 oz units. Perfect for bustling venues! Its programmable LED neon sign helps attract attention, while the forced air conditioner ensures optimal heat control for consistently delicious popcorn. The machine's reversible dome allows for flexible setup, and the easy pull corn bin drawer simplifies serving and cleanup. Plus, with a 2-year warranty on parts, the Apex offers the durability and reliability you need to keep your popcorn service running smoothly. Now on paragonconcessions.com, these excellent machines can be fully customized to match your brand
