Multiwash Multi Surface Scrubbers

Item# PFMW14 - PFMW18

Cleans and dries floors in a single pass.

- Counter-rotating cylindrical brushes provide deep scrubbing at 650 RPMs - over three times higher than rotary brush scrubbers and 4-6 times more contact pressure for superior cleaning
- Save time with self-cleaning brushes - no messy pads to worry about
- One set of brushes = about 100 floor pads – saving you time and money
- Whisper quiet 69 dBA level for anytime cleaning - meets LEED requirements
- Eco-friendly low moisture cleaning uses 30% less chemical and water.
- The Multiwash Scrubber is perfect for anyone who needs a quick and easy solution for multiple floor types. With 4 brushes to choose from, nearly every floor surface can be deep cleaned with the Multiwash Scrubber.

MULTIWASH XL

Low profile makes for easy cleaning under chairs and food prep areas.

Removable recovery tank yields easy cleanup.

Counter-rotating brushes and recovery drum clean and clear debris in one pass.

Pull handle dispenses solution on to floor.

The Multiwash offers quiet, high quality cleaning performance, versatility, ease of use and durability. This machine will wash, mop, scrub and dry in a single pass on virtually every kind of floor. The Multiwash can even be used on escalators and entrance matting.

The compact size of the Multiwash means that it can be used under furniture and work surfaces without the need to bend down. This customer favorite offers wall to wall cleaning even in the tightest corners.
