Hospeco™ Comfort Plus® Bulk Tampons, Plastic Applicator, Regular, 500/cs

Comfort Plus® Bulk Regular Tampons w/ Plastic Applicator are engineered for dependable protection and efficient facility management. Featuring regular absorbency and a smooth plastic applicator, they allow for comfortable, easy insertion while maintaining consistent performance. Each tampon is individually wrapped to promote cleanliness and hygienic distribution, making them ideal for shared restroom environments. The unscented design accommodates a wide range of user preferences, while the bulk packaging of 500 tampons per case helps reduce restocking frequency and overall cost. Perfect for schools, offices, healthcare facilities, and public restrooms, these non-vended tampons offer a reliable, economical solution for menstrual care needs.
