PROPWR™ MOTORIZED KIT FOR HOUSEKEEPING CARTS

The PROPWR™ Motorized Kit for Housekeeping Carts is the ideal choice for users who want to move heavy housekeeping loads with virtually no effort involved. The battery-powered kit eliminates the need for manual force when transporting loads up to 350 lbs. in both forward and reverse, reducing user strain.

FEATURES & BENEFITS

- Motorized drive wheels reduce the effort required to move up to 350 lbs. to help quickly move heavy loads and reduce user strain.
- Centralized control system features variable speed from 0-2 mph with forward and reverse settings.
- Removable key prevents unauthorized use of power.
- Rechargeable battery runs a full shift and can be easily changed out to reduce any unnecessary downtime.
- Compatible with all RCP Full Size and Compact Housekeeping Carts (2202581, 2202527, 2202587, 2202585).
- Dual onboard battery compartments provide back-up power, if needed, without having to plug in the entire cart.
- Additional batteries (2173664) and chargers (2173520) available for purchase separately.
- Rated IPX4
- Kit includes: hand-activated control throttle, battery compartment, 2 motorized drive wheels, 2 casters, 1 battery, 1 charger, 1 key, and hardware. Carts sold separately.
