VERSATILE •

DURABLE

Optional HEPA Media Cartridge Filters and Intercept Micro® Paper Filter Bags are available to aid in improving Indoor Air Quality (IAQ).

Advantages

ProGuard 10 Gallon – #107129

- Versatile unit large enough for big spills, yet compact for easy maneuvering.
- 3" soft ride swivel casters provide easy 360° mobility while the low center of gravity keeps vacuum stable during operation.
- 2 stage bypass vacuum motor creates 105 CFM and 95" of water lift for true commercial duty performance.
- Convenient tank drain cap allows for fast liquid debris removal.
- 3 layer fine dust particle filter is washable, reusable and clogs less than standard foam filters. Also provides exceptional filtration for drywall dust, cold ashes and fine powders.
- Exclusive Qwik Lock™ Wet Filter and mechanical float shut-off breaks down foam and protects vacuum motor from debris and moisture damage.
- 10' secure-lock swivel hose and heavy duty commercial tools are included for any wet/dry cleanup application.

Warranty*

**3 years on parts, labor and motor.
 Lifetime on molded body parts.**

*See owner's manual for complete warranty details
