Hospeco™ Comfort Plus® Bulk Tampons, Plastic Applicator, Super, 500/cs

These Comfort Plus® Tampons feature a plastic applicator and super absorbency to provide reliable protection, and each unit is individually wrapped for hygiene and convenience. Unscented and designed for bulk use, the 500-count case makes them ideal for stocking restrooms in businesses, schools, or other high-traffic settings. The tampons are non-vend items and are bulk packed to offer cost-effective, accessible menstrual care.
