Auto Totaling Time Clock

PYRAMID

SIMPLE : SMART®

Accurate, error-free payroll time tracking.

The **4000Pro Auto Totaling Time Clock** minimizes payroll processing time and eliminate calculation errors. Totals weekly, bi-weekly, semi-monthly, or monthly pay periods for up to 50 employees. Totals actual or rounded time, including 5, 10 and 15 minute rounding. Auto-feeding time card alignment ensures quick and precise time card punches. Compact, sleek design complements any work environment. Simple set-up and simple operation make this time clock a favorite with small business!

- Automatically calculates worked time between punches and accumulates worked hours for weekly, bi-weekly, semi-monthly or monthly pay periods
- Totals actual or rounded time, 5, 10 and 15 minute rules for “clean calculations”
- Auto-align top loading time card feed saves time, eliminates card jams and enables single-hand operation
- Interfaces with TimeTrax Sync™ Bell Ringer and transmits time signal to TimeTrax Sync™ Analog and Digital Clocks
- English, Spanish or French menu programming
- Manages up to 50 employees
