Grab your patron's attention at grocery stores and markets, and let them know you have baskets for their shopping convenience with this Regency shopping basket sign. Made to be placed into your Regency market basket stand, this sign is designed with bold, black lettering on a white background that clearly conveys its message. Constructed of thick and sturdy laminated cover stock, it will hold up to busy, commercial environments without creasing or tearing easily. Written in both English as well as Spanish, the message is more effectively communicated to a larger percentage of your shoppers.
