Notes & Details

Easily maneuver heavy products around your business with the Regency 18" x 41 3/4" two shelf chrome utility cart with U-shaped handle and wooden shelf insert. The Regency 18" x 41 3/4" utility cart makes it easy to move bulky products around your establishment. Crafted from durable chrome materials, this product is sure to stand up to long-term use in your commercial environment. The included U-shaped handle provides a sturdy handhold so that your employees can easily push the cart wherever it needs to go. Best of all, each shelf has a weight capacity of 600 lb., making it simple to transport your heavier supplies.

Thanks to this cart's open base design, you can easily load and unload your products. It also allows for a clear view of the contents. Additionally, this cart features an open wire layout that helps to minimize dust accumulation, making it simple to keep this product clean. This heavy-duty cart is made of durable, chrome-plated metal with a clear epoxy coating to fend off rust and is recommended for use in dry storage or heated environments. For added convenience, the wooden shelf insert provides the perfect workspace to take on a variety of tasks.

This cart comes with (4) 5" polyurethane casters that make it easy for you to maneuver the cart around your establishment. All of the casters have brakes for when you'd like the cart to remain stationary. Since this utility cart ships unassembled, you'll save money on shipping costs.

Kit Includes:

- 18" wide Regency U-shaped cart handle
- Regency hardwood cutting board insert
- (2) 18" x 36" Regency chrome wire shelves
- (4) 5" Regency polyurethane shelving casters with brakes
- (4) 34" Regency mobile shelving posts with split sleeves
