Notes & Details

Provide your customers with optimal shopping convenience with this Regency 18" x 13" chrome shopping basket! A perfect addition to delis, supermarkets, bodegas, and any other retail operation where carrying assistance is needed, this basket is just what your shoppers are looking for. Thanks to its durable chrome construction, this basket is built to withstand frequent use in your busy, high-traffic establishment.

Ideal for customers looking for a few quick purchases, this basket allows them to easily get in and out without having to push around a bulky grocery cart. With holes to prevent liquid build up, the baskets allow for easy cleaning in the event of an item spill or leak. This basket's two handles offer superior strength and support, making it much stronger than traditional baskets with plastic handles. Plus, each handle has a red grip for your customers' comfort while holding the shopping basket. This basket also nests together for easy, space-efficient storage, taking up less floor space.
