Certifications

Notes & Details

Save time transporting your bun pans by stacking them on this mobile Regency 27" x 19" x 15" aluminum bun pan dolly. With its 60 pan stack capacity, this dolly will maneuver your bun pans easily and quickly. Even when used as stationary storage for unused pans, the dolly will help you save space and be ready to roll whenever you need!

The heavy-duty extruded aluminum frame makes this dolly dependable and long-lasting so that it can be used regularly in busy restaurants and bakeries. Your floors will especially benefit from the 5" non-marking casters, and the operator will appreciate their smooth design to make moving the rack even more efficient and speedy when navigating through a room full of tall racks storing baked goods. Perfect for bakeries, hospitals, diners, and hotels, this bun pan dolly is a great way to store and transport bun pans.
