Notes & Details

This Regency 1 7/8" swivel plate caster with mounting screws is designed to help you fix a broken one on the Regency 12" and 16" keg dollies. Casters like this one make it easy to move your equipment from place to place so it's important to replace a broken one immediately. This caster has a swiveling design that makes it easy to move and change directions, and it installs on compatible equipment with a mounting plate. It comes with mounting screws for installation.
