Features

- For use with Regency hose reels (sold separately)
- Durable brass construction
- Helps keep your unit operating correctly

Certifications

3/8" Water Connection

## Notes & Details

Outfit your hose reel with this Regency brass thread adapter. This adapter is designed for use with Regency hose reels (sold separately). It connects a 1/2" male NPT connection to a 3/4" female GHT connection. The brass material is durable enough for long-term use. Use this adapter to ensure that your unit is operating correctly.
