Notes & Details

Upgrade your commercial kitchen or bathroom with this Regency deck-mount faucet. This faucet is designed for convenience and efficiency. Its 3 1/2" swivel gooseneck spout provides ample clearance, and its 1.2 GPM aerator provides optimal water flow. The 4" centers and 1/2" NPS inlets make installation a breeze, ensuring a seamless upgrade to your existing sink setup. With a temperature rating of 40-140 degrees Fahrenheit, this faucet is ideal for a variety of applications, including washing dishes, cleaning hands, and food preparation.

Constructed from chrome-plated brass with a stainless steel deck plate, this faucet offers durability and longevity. The zinc handles feature quarter-turn ceramic cartridges, providing smooth and precise control over water flow and temperature. Whether you're outfitting a restaurant, bar, kitchen, or bathroom, this Regency deck-mounted faucet offers the reliability and performance you need. Add this versatile and dependable faucet to your establishment today!
