

Regency Faucet Repair Kit with Two Handles

#600FH1

Technical Data

Mounting Style	Deck Mounted Wall Mounted Workboard
Type	Repair Kits

Features

- Includes hot and cold water handles
- For Regency faucets

## Notes & Details

This Regency faucet repair kit includes a replacement hot water handle and a replacement cold water handle, and is designed for use with select Regency faucets. If your faucet's handles are broken or worn out, but the cartridges and other components are still working correctly, this kit gives you everything you need to fix the problem and make your faucet work properly again.

 **WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to [www.p65warnings.ca.gov](http://www.p65warnings.ca.gov).
