Notes & Details

Install a convenient and useful water fixture in your business with this Regency wall mount faucet! Featuring a flow rate of 2 GPM and a 1/2" NPT connection, this faucet is great for dishwashing and other general cleaning tasks. It features 8" centers, and its 3 1/2" long swivel gooseneck nozzle provides more clearance than a traditional swing nozzle. An installation kit is required for setup (sold separately).

For quick identification, this faucet features two easy-to-turn, labeled and color coded handles for hot and cold water. Plus, the entire unit features an attractive chrome-plated brass construction that looks great in any setting!
