#600PRBV

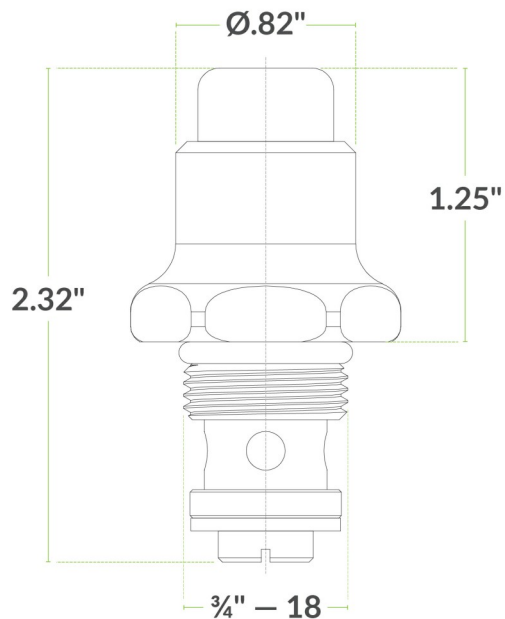

Technical Data

Type	Bonnets
------	---------

Features

- Part of the lever mechanism on faucet pedal and knee valves
- Part of the handle mechanism for pre-rinse spray valves

Plan View

Notes & Details

This Regency replacement bonnet can be used to fix the bonnet that originally came with your pre-rinse faucet or pedal / knee valve. In all applications, the bonnet allows you to depress the handle or valve to release water. Be ready for any necessary repairs by stocking up on this replacement part!
