Notes & Details

Made of rugged stainless steel for long-lasting performance, this Regency 8" overflow pipe gives you the reliable tool you need to fill your sink while taking care of other tasks without worrying about messy and potentially hazardous spills! The pipe's 1 3/4" bushing fits seamlessly into your sink's nominal 1 1/2" - 1 3/4" drain for incredibly simple operation. A fantastic addition to any restaurant, bar, or ice cream shop, this pipe is great for 10" deep sinks or even dipper wells. It has a 1 1/4" top diameter for safely draining water after the sink fills to the pipe's opening.
