Notes & Details

This Regency 63" translucent plastic bun pan rack cover will help protect your signature foods from harmful germs and debris while in transport. Sized to fit many popular full height pan racks, the cover's versatile design allows for both side and end loading of pans. Not only does its clear front viewing window enable fast product identification, its four zippers also provide employees with easy access to items without having to remove the entire cover, saving valuable time and effort.

Made of heavy-duty plastic, this cover combines a tear-resistant top with reinforced seams to ensure long-lasting use. Plus, it's easy to slip on and off and wipe down to keep clean. Once you're finished, it folds neatly for space-saving storage. Use this convenient bun rack cover to keep baked goods fresh in your bakery, restaurant, cafeteria, or catering kitchen!
