Notes & Details

This unassembled Regency 10 pan end load half height bun / sheet pan rack with cover and 12 pans provides you with everything you need to effectively hold and transport baked goods within your facility! Once fully assembled, the durable, aluminum rack can hold up to 10 full or 20 half size sheet pans with 3" of space between each pan, providing enough room and support for your signature cookies, sheet cakes, pastries, or broiled foods. Not only does it feature (4) 5" hard plastic casters for smooth, easy transportation throughout your kitchen, it also has 2 locking mechanisms to secure it in place. Plus, the rack is listed with NSF for sanitation and has an ample 450 lb. capacity, making it ideal for busy kitchens preparing multiple recipes at once.

Made of 19-gauge aluminum, the 12 included full size pans have smooth, natural finishes that are easy to hand wash. While their wire-reinforced beaded rims add extra strength to ensure they keep their shape after repeated use, their stackable design allows you to maximize your storage space. This kit also comes with a clear, plastic cover that will help keep your baked goods fresh and protect them from unwanted dirt, dust, and debris. It has a side zipper for quick product access and a mesh top that reduces condensation created from hot foods. Keep your bakery, restaurant, or catering kitchen clean and organized with this convenient Regency kit!

Kit Includes:

- 1 end load half height rack with (4) 5" casters
- 1 plastic cover with a 2.3 mil thickness
- 12 full size bun / sheet pans
