Notes & Details

Perfect for a wide variety of wine storage applications, this 18" x 36" x 74" 3 shelf wire wine rack with 74" stationary posts and a security cage can hold up to (84) 750 mL bottles! This shelving unit includes 2 wire wine rack modules with a chromate finish and all of the components for a 18" x 36" x 74" chrome shelving unit to hold them. The modules come fully assembled and the shelving unit is very easy to put together; you don't even need tools to assemble the shelves. Plus, clear plastic ties are included to ensure that the wire wine rack modules are properly secured to the shelving. While only three shelves are required to assemble this shelving unit, the kit includes an additional shelf that may be used to provide more support or low storage space for wine bags or boxes!

Since this unit comes with a security cage, you can also protect your wine supply from theft or tampering after hours. As an economical wine storage option, this wire wine shelving unit is a great choice for restaurants, cafes, and shops that offer a wide selection of wines! When bottles are placed in this rack, labels are clearly visible so that your customers or staff can quickly select the bottles they are looking for. With its sleek chrome look, this wire wine rack will fit in nicely with your front of the house display or back of the house storage area.

Kit Includes:

- (2) 26 1/2" x 26 1/2" x 8" chromate finish wine modules
- (4) 18" x 36" chrome wire shelves
- 16 pairs of split sleeves for shelf installation
- (4) 74" stationary chrome epoxy shelving posts
- (12) 9 1/2" clear plastic ties
- (1) 18" x 36" x 61" chrome security cage
