- Clip-on design easily attaches to wire basket shelving
- Mounts at a 25-degree angle for better visibility and easier scanning
- Matte cover supports barcode scanning
- Helps keep items organized and easy to identify

Regency Space Solutions

Notes & Details

Protect labels from wear and tear with this Regency 16 1/2" x 1 1/4" gray clip-on label holder for wire basket shelving! Made from durable PVC, this label holder shields labels (sold separately) from dust, dirt, tearing, and other damage in heavy-use environments. The gray backing has a clear, matte cover that's UV-treated to support easy barcode scanning, helping labels stay readable and scannable over time.

Featuring a c-channel clip design, this label holder easily attaches to the front of most wire basket shelves, providing a reliable fit in busy environments. It's mounted at a 25-degree angle for enhanced visibility, and labels easily slide in and out, allowing for quick updates or replacements when needed. Perfect for commercial spaces, this Regency clip-on label holder helps keep items clearly labeled and organized for an efficient workflow.
