Notes & Details

Perfect for a variety of commercial applications, this Regency wall-mount black epoxy wire shelf provides convenience, durability, and space-efficient storage. It features a black epoxy coating, making it suitable for dry, moist, or humid environments. Its wire design also ensures ample airflow around its contents, which is particularly important in moist locations. Plus, the shelf accommodates up to 360 lb. of evenly distributed weight and boasts a commercial-grade steel construction for maximum durability.

From the back-of-house to the front-of-house, the shelf is great for storing supplies or for merchandising retail inventory! Because of the black design, it's especially well suited for retail use. Assembly is fast and easy so that it can be used shortly after delivery. For secure installation, the wall brackets come with concrete installation mounting hardware. For reliable and convenient wall-mount storage, this Regency wire shelf is an excellent choice!
