Notes & Details

Easily organize your restaurant's kitchen or your store's display shelves with this Regency 2 1/4" x 3 1/2" large chrome snap-on J-hook. This hook simply latches onto hanger rails, mounting rails, and wire shelving, providing simple and instant installation! Enjoy flexible mounting options with this hook, as it can be attached anywhere along the width or depth of designated wire shelving units.

In your kitchen, organize pots, pans, strainers, spatulas, or tongs by hanging them from this hook. You can also use the hooks for chef hats, coats, and aprons for quick grab and go accessibility. In retail locations, spruce up your wire shelving displays by showcasing hats, handbags, necklaces, scarves, and more on this hook.

Behind the scenes, save valuable storage space in your janitorial closet, by using this hook to hang brooms, dust pans, mops, or wet floor signs. The hook's zinc-plated metal provides maximum longevity and holds up to 10 lb. Plus, the chrome epoxy coating identically matches chrome shelving, making this hook an excellent accessory for existing units.
