Notes & Details

Use this Regency 34" chrome shelving post to help outfit your facility with convenient storage! When combined with Regency chrome shelves and accessories (sold separately), this post enables you to create a customized storage space to best meet your facility's needs. Thanks to its interval markings, this post not only allows you to adjust your shelves after your shelving unit has been assembled, but also ensures that you can accommodate items of various shapes and sizes.

Featuring a chrome construction, this post is the perfect choice for dry back-of-house environments. Its stationary design makes it especially convenient for long-term storage applications, while its adjustable leveling foot makes it easy to accommodate uneven surfaces. Combining high-quality construction and exceptional durability, Regency shelving delivers the long-lasting convenience and value that your business needs and expects. Compatible only with screw-in casters (sold separately).
