Notes & Details

Keep paper towels on hand with this Regency chrome shelf-mount paper towel holder. Designed to streamline your cleaning process, this paper towel holder keeps an essential cleaning tool within reach and easy to grab in emergencies. It conveniently hooks onto your Regency chrome wire shelving, providing a secure hold that can withstand frequent use and saving your business valuable shelf space. You can also move and adjust the holder over and over again as your storage needs change, making it easy to customize your shelving unit to meet your business's unique requirements. This easy removal will come in handy when you need to clean your holder or your shelves. Designed to maximize your shelf capacity, this functional paper towel holder is sure to create efficient and valuable storage space for your commercial kitchen.

Made of strong chrome-finished wire, this paper towel holder is designed to add convenience, function, and style to your Regency shelves. Its chrome finish is ideal for use in dry, back-of-the-house environments and will match perfectly with your Regency chrome shelving unit. The holder's sturdy build can withstand your employees grabbing paper towels (sold separately) quickly to get to a spill in a hurry. As a result, this holder makes for a reliable, long-lasting storage solution that allows you and your employees to reach messes faster. The perfect fit for your commercial kitchen, this holder makes storage simple by allowing you to keep your shelves organized and your paper towels accessible at all times. Make the most of your shelf space with this Regency paper towel holder!
