Number of Shelves	5 Shelves
Type	Shelving Kits Wine Shelving Kits
Usage	Dry Environments Office Retail

Notes & Details

Properly store and display all your best bottles of wine with this Regency 14" x 48" 5 shelf wire wine rack! It's made of a durable, chrome plated metal, with a clear epoxy coating, and is for use only in dry storage and heated environments. This rack holds bottles on their sides, slightly tilted downward, so the corks won't dry out and crack. This helps prevent air exposure, which can cause aromas and flavors in your wine to fall flat.

This rack will hold up to (55) 750 mL bottles of wine and includes (5) 14" x 48" wine shelves, (4) 34" posts, and 20 split sleeves to make assembling the unit a breeze. It features an attractive chrome finish that is sure to complement any decor.

Bottles with shorter necks may need to be moved so that the bottom of the bottle is touching the rear of the shelf in order to achieve proper positioning.
