Notes & Details

As part of the Regency Space Solutions' wire shelving collection, this 21" x 30" green epoxy coated wire shelf is great for use in all environments, including dry storage, refrigerators, freezers, and ware washing areas. It's made of a durable, zinc plated metal, with a green epoxy coating. Plus, its high-quality design is commercial grade and delivers the reliable performance every business expects and needs.

When combined with additional shelves, posts, and accessories (sold separately), this Regency green epoxy-coated wire shelf is capable of holding up to an impressive 600 lb. of evenly distributed weight.
