Style	Stationary
Type	Hanger Rails

Features

- 60 lb. weight capacity
- Great for damp storage environments
- Works with Regency and Metro green epoxy wire shelving
- Split sleeves sold separately

Certifications

## Notes & Details

As part of the Regency Space Solutions collection of green epoxy coated wire shelving, you can count on this 48" hanger rail to work with your shelving to provide extra storage space in your damp storage areas. The perfect solution to storage in dish rooms, refrigeration units, and prep areas where traditional chrome shelving will rust and flake, this Regency green epoxy hanger rail is resistant to moisture. This hanger rail has a weight capacity of up to 60 lb. so that you can store plenty of textiles, pots and pans, and much more! This hanger works with Regency shelving posts as well as posts from Metro and other brands. Split sleeves are sold separately.
