Notes & Details

Keep your storage area organized with this Regency green epoxy mobile wire shelving starter kit. This kit includes (4) 64" mobile posts, (4) 5" casters with brakes, (4) 36" x 42" shelves, and (16) pairs of split sleeves. This versatile unit allows you to create a convenient storage solution for your janitorial closet, warehouse, or walk-in cooler.

For maximum versatility, the green epoxy coating allows for use in either dry, moist, or humid environments, making the unit a multipurpose investment that's sure to accommodate your ever-evolving needs. Plus, because the coating is green, it's subtle and professional, perfect for office settings or for merchandising applications and front-of-house sales. This unit's high-quality design is commercial grade and delivers the reliable performance every business expects and needs.

Each shelf features a wire construction, which allows for proper air flow around the stored supplies, products, or ingredients, and each shelf accommodates up to 600 lb. of evenly distributed weight. For your convenience, the shelves are also adjustable and can be moved higher or lower along the posts. Plus, the included 5" casters allow for quick access and easy cleaning, and the casters are equipped with brakes to secure the unit in place when needed.
