Notes & Details

Use this 21" x 30" Regency clear PVC shelf liner to create a smooth, solid surface over your wire shelving! Made of clear, 1 mm thick PVC, this shelf liner keeps small items from falling through your open grid shelves and can even help prevent damage to items on lower shelves by containing leaks, drips, and spills. This shelf liner is easily removable for thorough cleaning and for when you need to convert your shelf back to an open grid. It is designed to fit all Regency shelves measuring 21" x 30".
