Notes & Details

As part of the Regency Space Solutions' wire shelving collection, this 18" x 24" chrome wire mobile dunnage rack kit is great for use in dry storage and heated environments. The wire shelf and the other components are made of a durable, chrome plated metal, with a clear epoxy coating. This chrome wire shelving is capable of holding up to 600 lb. of evenly distributed weight when properly assembled to give you all the storage capacity you need. This standard duty dunnage rack kit comes with four 8" tall shelving posts and four 5" diameter locking polyurethane casters. To add stability, the kit includes one Regency three sided wire shelving frame. The three-sided design attaches to all four posts of your dunnage rack to make sure that your storage unit is strong and secure, no matter how much you need to store.

Kit Includes:

- (4) 8" posts
- (4) 5" locking polyurethane casters
- (1) 18" x 24" shelf
- (1) 18" x 24" support frame

Overall Dimensions (Assembled):

Length: 24"
Width: 18"
Height: 14"
