## Notes & Details

Ensure your storage area or aisles stay organized with this Regency 60" x 12" x 8" black plastic narrow dunnage rack with solid top. This solid top dunnage rack is a great way to organize your products or extra supplies to ensure your establishment maintains an orderly system. This display is constructed of durable polyethylene that won't crack, chip, rust, bend, or break, and it offers smooth edges to reduce the chance that your bags and products will rip or tear open. With an 8" height, this merchandiser meets HACCP requirements for food storage, and it offers antimicrobial protection.

Because it is made from plastic, this rack is also suitable for both dry and cold storage areas. It also has an ample 1200 lb. capacity so it can hold a variety of heavy items. It's great for storing heavy bulk goods, liquids, and dry goods. You can even move the rack around using a forklift or pallet jack on any of the four sides to save time and add convenience. This rack's narrow design helps maximize storage space and the sturdy base ensures secure storage. Best of all, this rack ships fully assembled so you can use it right away!
