Notes & Details

Keep your bulky items off the ground and organized with this Regency stainless steel heavy-duty dunnage rack. This dunnage rack is made of incredibly durable 18 gauge type 430 stainless steel that is rust- and corrosion-resistant, making it perfect for use in both dry and moist environments. Plus, its slatted shelf allows for proper air circulation.

This rack is ideal for use in warehouses, dish rooms, and walk-in refrigerators. Because it is made of stainless steel, this dunnage rack is easy to clean and sanitize, while its fully welded design is perfect for storing heavy tools, equipment, or inventory. For durable and dependable storage in nearly any setting, this Regency stainless steel dunnage rack is a great choice!
